As you begin your application, you may have questions about Universiti Malaya (UM) or the application process. We encourage you to carefully review our website at **https://study.um.edu.my/** before proceeding.

Please reference your Application ID number in all communications with the Admissions Team

We review all submitted applications. It is your responsibility to ensure that all application materials are provided as certified color-scanned copies. A certified copy must include an original ink stamp and signature verifying it is a true copy of the original document. We accept certifications only from:

- The institution that issued the original document
- A lawyer/solicitor/attorney
- The British Council
- A commissioner for oaths

Application materials should be uploaded in PDF format (unencrypted), while photographs should be in JPEG or PNG format.

Ensure that all information entered in the Applicant Portal is in English and uses English characters only.

Please note that the processing fee is non-refundable, and multiple applications for the same program within the same intake are not permitted.

Admission decisions are communicated only to applicants. The Admissions Committee does not provide individualized feedback to applicants who are denied admission; however, general reasons for denial are available in the application portal for your reference.

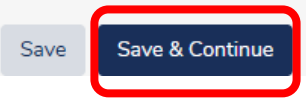

By submitting your application through the Applicant Portal, you acknowledge that you are responsible for the completeness and accuracy of the information provided. Any incorrect information may result in the withdrawal of your application at the discretion of Universiti Malaya.

All applicants for whom English is not a native language must provide evidence of their English language competence.

All academic documents submitted electronically will be verified for legitimacy before an offer is confirmed. If any fraudulent documents or false information are identified, the application will be withdrawn, along with any others submitted by the same individual. If such issues are discovered after enrollment, the University reserves the right to terminate your studies.

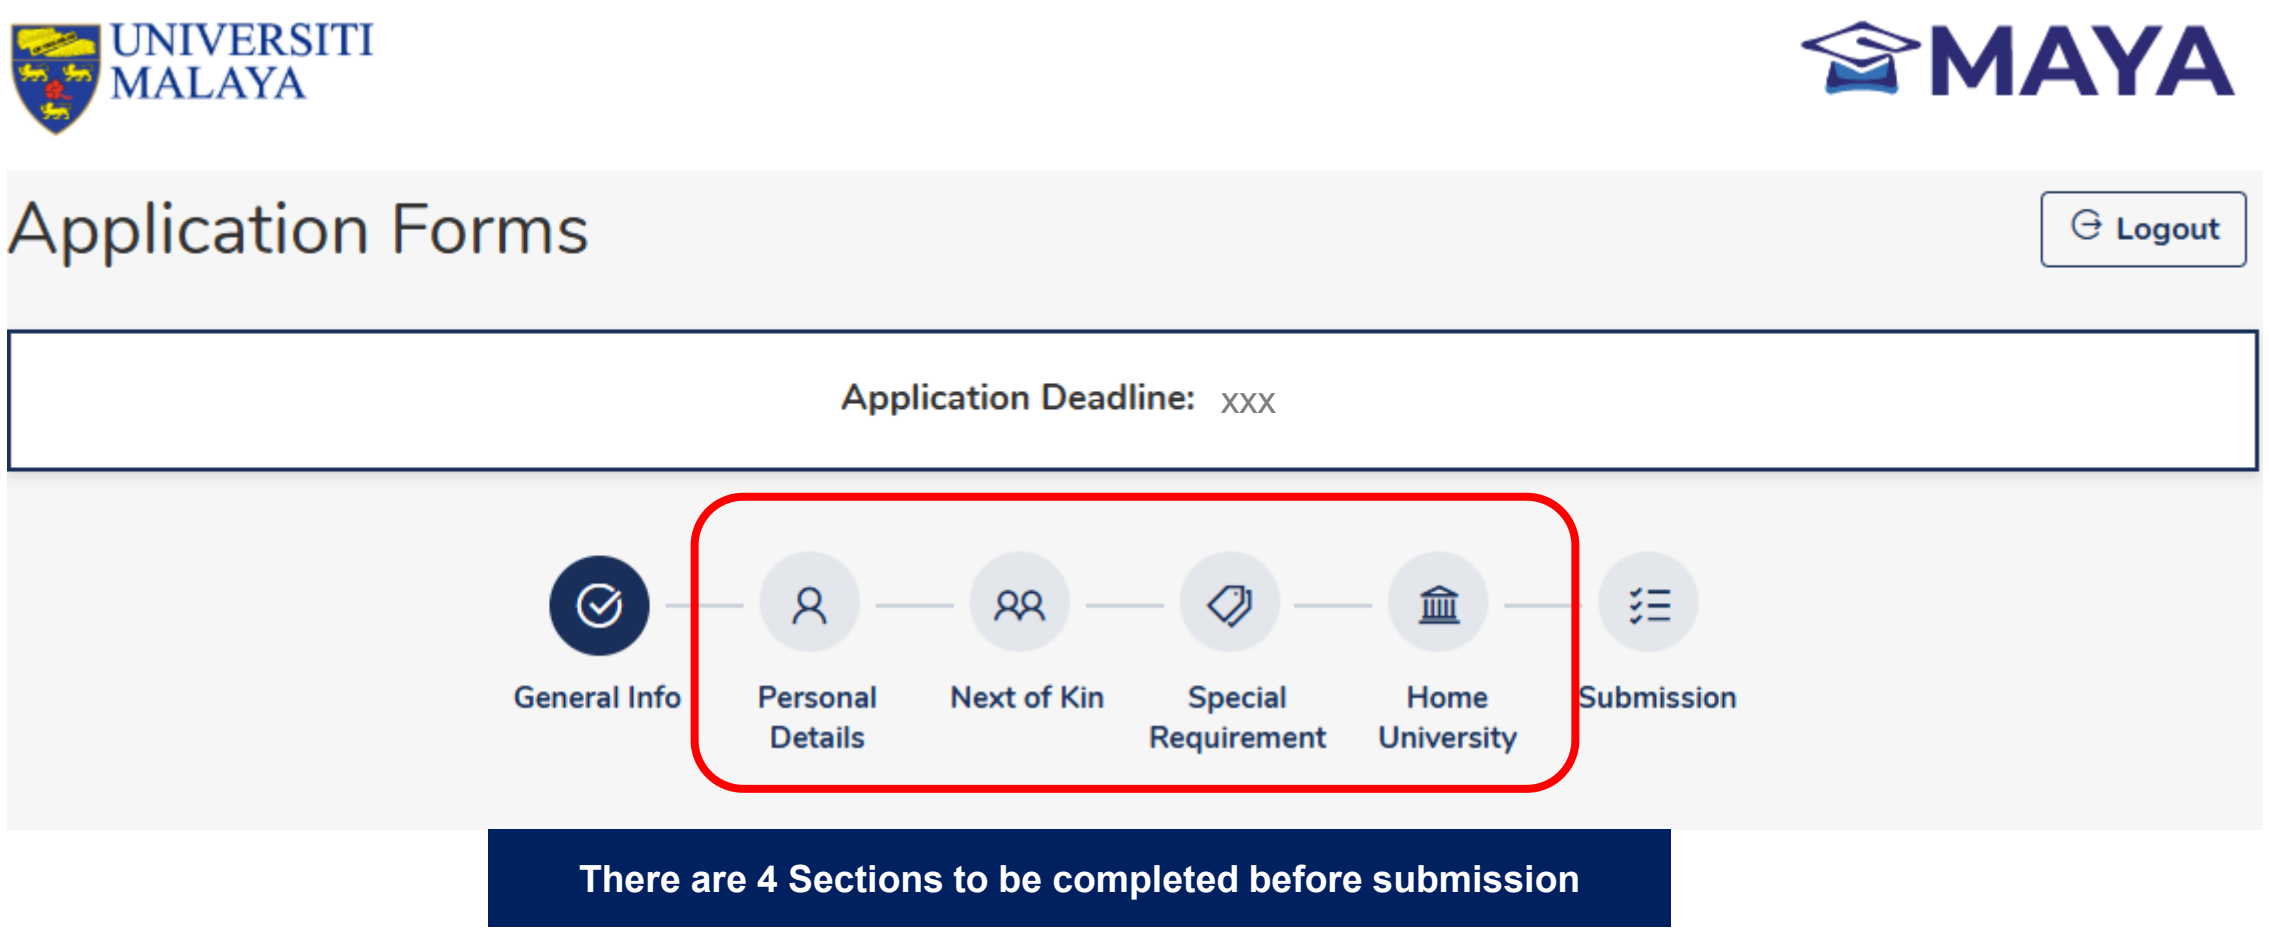

If you have any questions, please do not hesitate to reach out for assistance.

Guiding Note:

When filling up the Latest Result, please convert your home university grading to a 4.0 grading.

Important Tips:

Kindly convert your result to GPA on a 4.0 grading scale.

For example:

Home University's Grading Scheme is on a 100% scale (x/100).

$$\frac{90}{100} \times \text{GPA 4.0} = 3.6$$

Home University's Grading Scheme is on a 20 scale (x/20).

$$\frac{15}{20} \times \text{GPA 4.0} = 3.0$$
