5. Is there anything else you would like us to know about your health needs or general well-being? Yes/No
   If yes, please specify.

## Information Boxes:

### 1. Bringing prescribed medication to Japan

If you need to bring prescribed medication to Japan, with a dosage in excess of one month, you are required to apply and obtain a document called "Yu-nyu Kakunin-sho" (Import Confirmation of Medication) before leaving Japan, and declare it at Japan Customs. Details and instructions on how to obtain the document can be found through the links below, with online applications now being possible.

### 2. Nagoya University Ability Support Centre

Nagoya University makes every effort to ensure that students with disabilities have equal access and are not disadvantaged in their learning environment. Students who require study/classroom accommodations are invited to consult the Abilities Support Centre and submit an application by the end of February (April admissions), or the end of August (Autumn admissions).
