

QUT Health Study Tour 2027

The Queensland University of Technology (QUT) is offering a two-week inbound Health Study Tour at our Kelvin Grove Campus, Brisbane, Australia in 2027 to health students from select international partner institutions.

Welcome

This immersive program provides a unique and enriching experience for international undergraduate and post-graduate students and has been carefully designed to provide a comprehensive understanding of the Australian health sector, foster cross-cultural learning, and provide an insight into life as a QUT student in Brisbane, Australia.

Students will:

01 **Engage** in tailored lectures on various aspects of health in Australia from esteemed QUT academics

02 **Participate** in QUT lectures and tutorials and connect with domestic and other international health students

03 **Gain hands-on experiences** through immersive clinical simulations and practical sessions

04 **Discover** state-of-the-art healthcare facilities, hospitals, and research centres in and around Brisbane

05 **Immerse oneself** in the Australian culture through guided tours, cultural events, and Indigenous experiences.

Key Information

DATES

Proposed program dates: **26 July – 6 August 2027**
Final numbers required by: **26 February 2027**
Payment due: **30 April 2027**

SUITABLE FOR

Undergraduate and postgraduate health students at all levels. This includes students studying Counselling; Exercise Science; Medicine; Nursing; Nutrition; Pharmacy and Public Health.

COSTS

The program fee is **$1350 AUD per person**.
The fee covers program tuition, site visits and site visit transportation. The fee does not cover flights, accommodation, airport transport, daily transport, meals, or travel/health insurance.

NEXT STEP

If your institution is interested in participating in this study tour, please submit an **expression of interest** to QUT by **18 December 2026.** EOI should include indicative number of potential students.

CONTACTS

For enquiries and to submit your institution's interest in participating in the 2026 program before **18 December 2026**, and/or to discuss other opportunities for engagement, please contact: health.engage@qut.edu.au.

NOTE

QUT will require a **minimum number of registrations** for the Study Tour to proceed. A decision will be made late December 2026 to run/not run this program in 2027, depending on interested student numbers. **Each group must be accompanied by a teacher** (no additional fees apply).
