- Founded in 1960
- A leading private medical university in Taichung, Taiwan
- Dedicated to excellence in medicine and health sciences

What We Offer

- Diverse academic programs across medicine, oral medicine, nursing, allied health, public health, and related disciplines
- Strong clinical and learning environment with affiliated hospital support
- Active international collaboration and exchange opportunities

20 UNDERGRADUATE MAJORS
22 MASTER PROGRAMS

College of Medicine

College of Oral Medicine

College of Medical Science &Technology

College of Health Care & Management

ALLIED HEALTH PROGRAMS

- Medical Laboratory & Biotechnology
- Medical Imaging & Radiological Science
- Optometry

REHABILITATION PROGRAMS

- Physical Therapy
- Occupational Therapy
- Speech Language Pathology & Audiology

PUBLIC HEALTH PROGRAMS

- Public Health
- Health Policy & Management
- Medical Informatics
- Occupational Safety & Health

CLINICAL PROGRAMS

- Medical Doctor program
- Dentistry program
- Nursing program

SCIENCES PROGRAMS

- Biomedical Sciences
- Psychology
- Medical Applied Chemistry

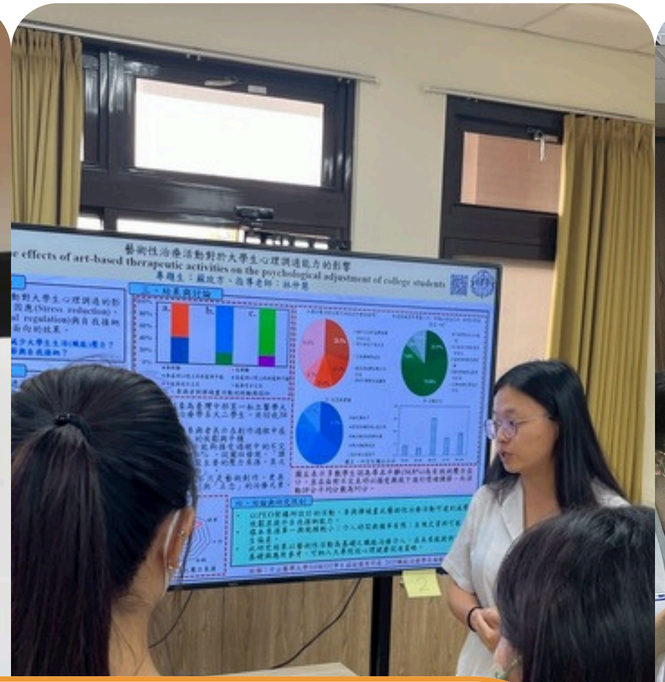
NUTRITION PROGRAMS

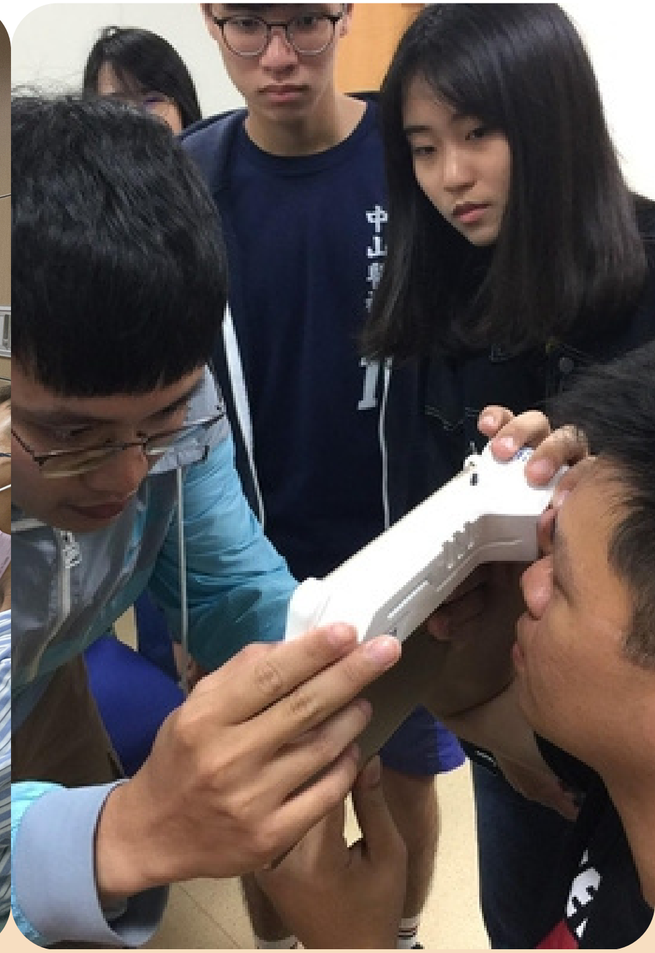
- Nutrition
- Health Industry Technology & Management

LIBERAL ART PROGRAMS

- Medical Sociology & Social Work
- Applied Foreign Languages

Students and Faculties





Total Students: 7,103

International students : 225

Full-time faculty: 723

The figures above are approximate.

Clinical & Learning Environment

Clinical Strengths

- Affiliated hospitals with strong clinical capacity
- 1,234 beds in major regional hospitals
- Professional training for students and clinicians
- Rich opportunities for clinical observation and practice

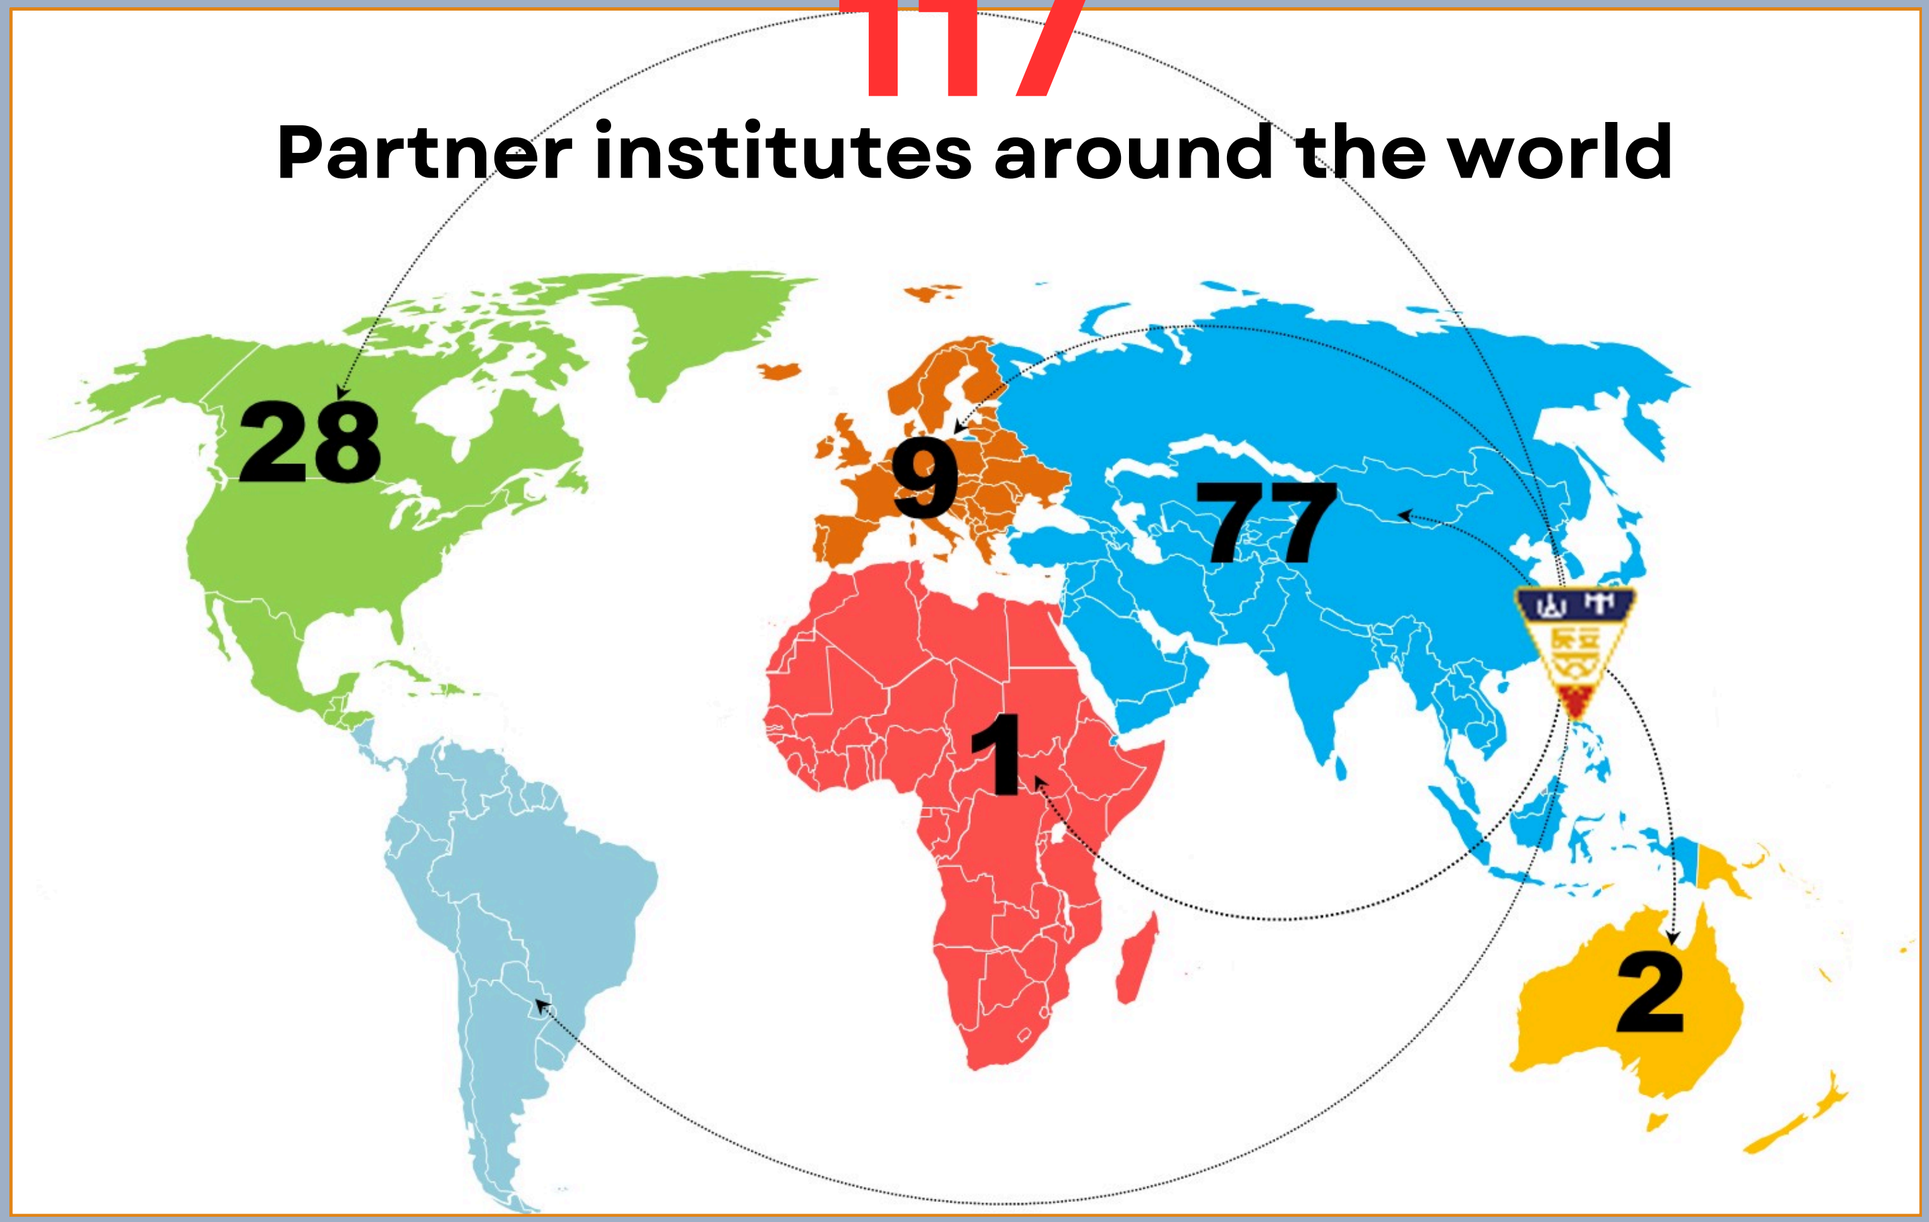
Learning Features

- Integration of teaching, research, and clinical training
- Diverse programs in medicine and health sciences
- Interdisciplinary and practice-oriented learning environment
- Support for both local and international academic engagement

International Collaboration

117

Partner institutes around the world



EXCHANGE, COLLABORATION & COIL

Flexible approaches to international learning and academic interaction

- Student Exchange Opportunities
- Joint Educational Activities
